West Education Centre,
1 Civic Centre Court, 1st Floor,
Toronto, Ontario M9C 2B3

To Whom It May Concern:

I am pleased to recommend the Litter Prevention Program. Over the years Ms White and Mr. King have been voluntarily sharing their message of litter prevention with our Kindergarten to Grade 6 students.

The message has been well received by our Primary students; they find it both informative and entertaining. Ms White and Mr. King will share their litter prevention and recycling message again this year on May 1, 2012.

Sincerely,

Joan Willis
CDF Jr. Public School
